The three years spent at NORTH is an experience for each person who enters these doors. At no other time and at no other place will a student feel as a sophomore does as he walks through the front door to begin his first day at NORTH HIGH.

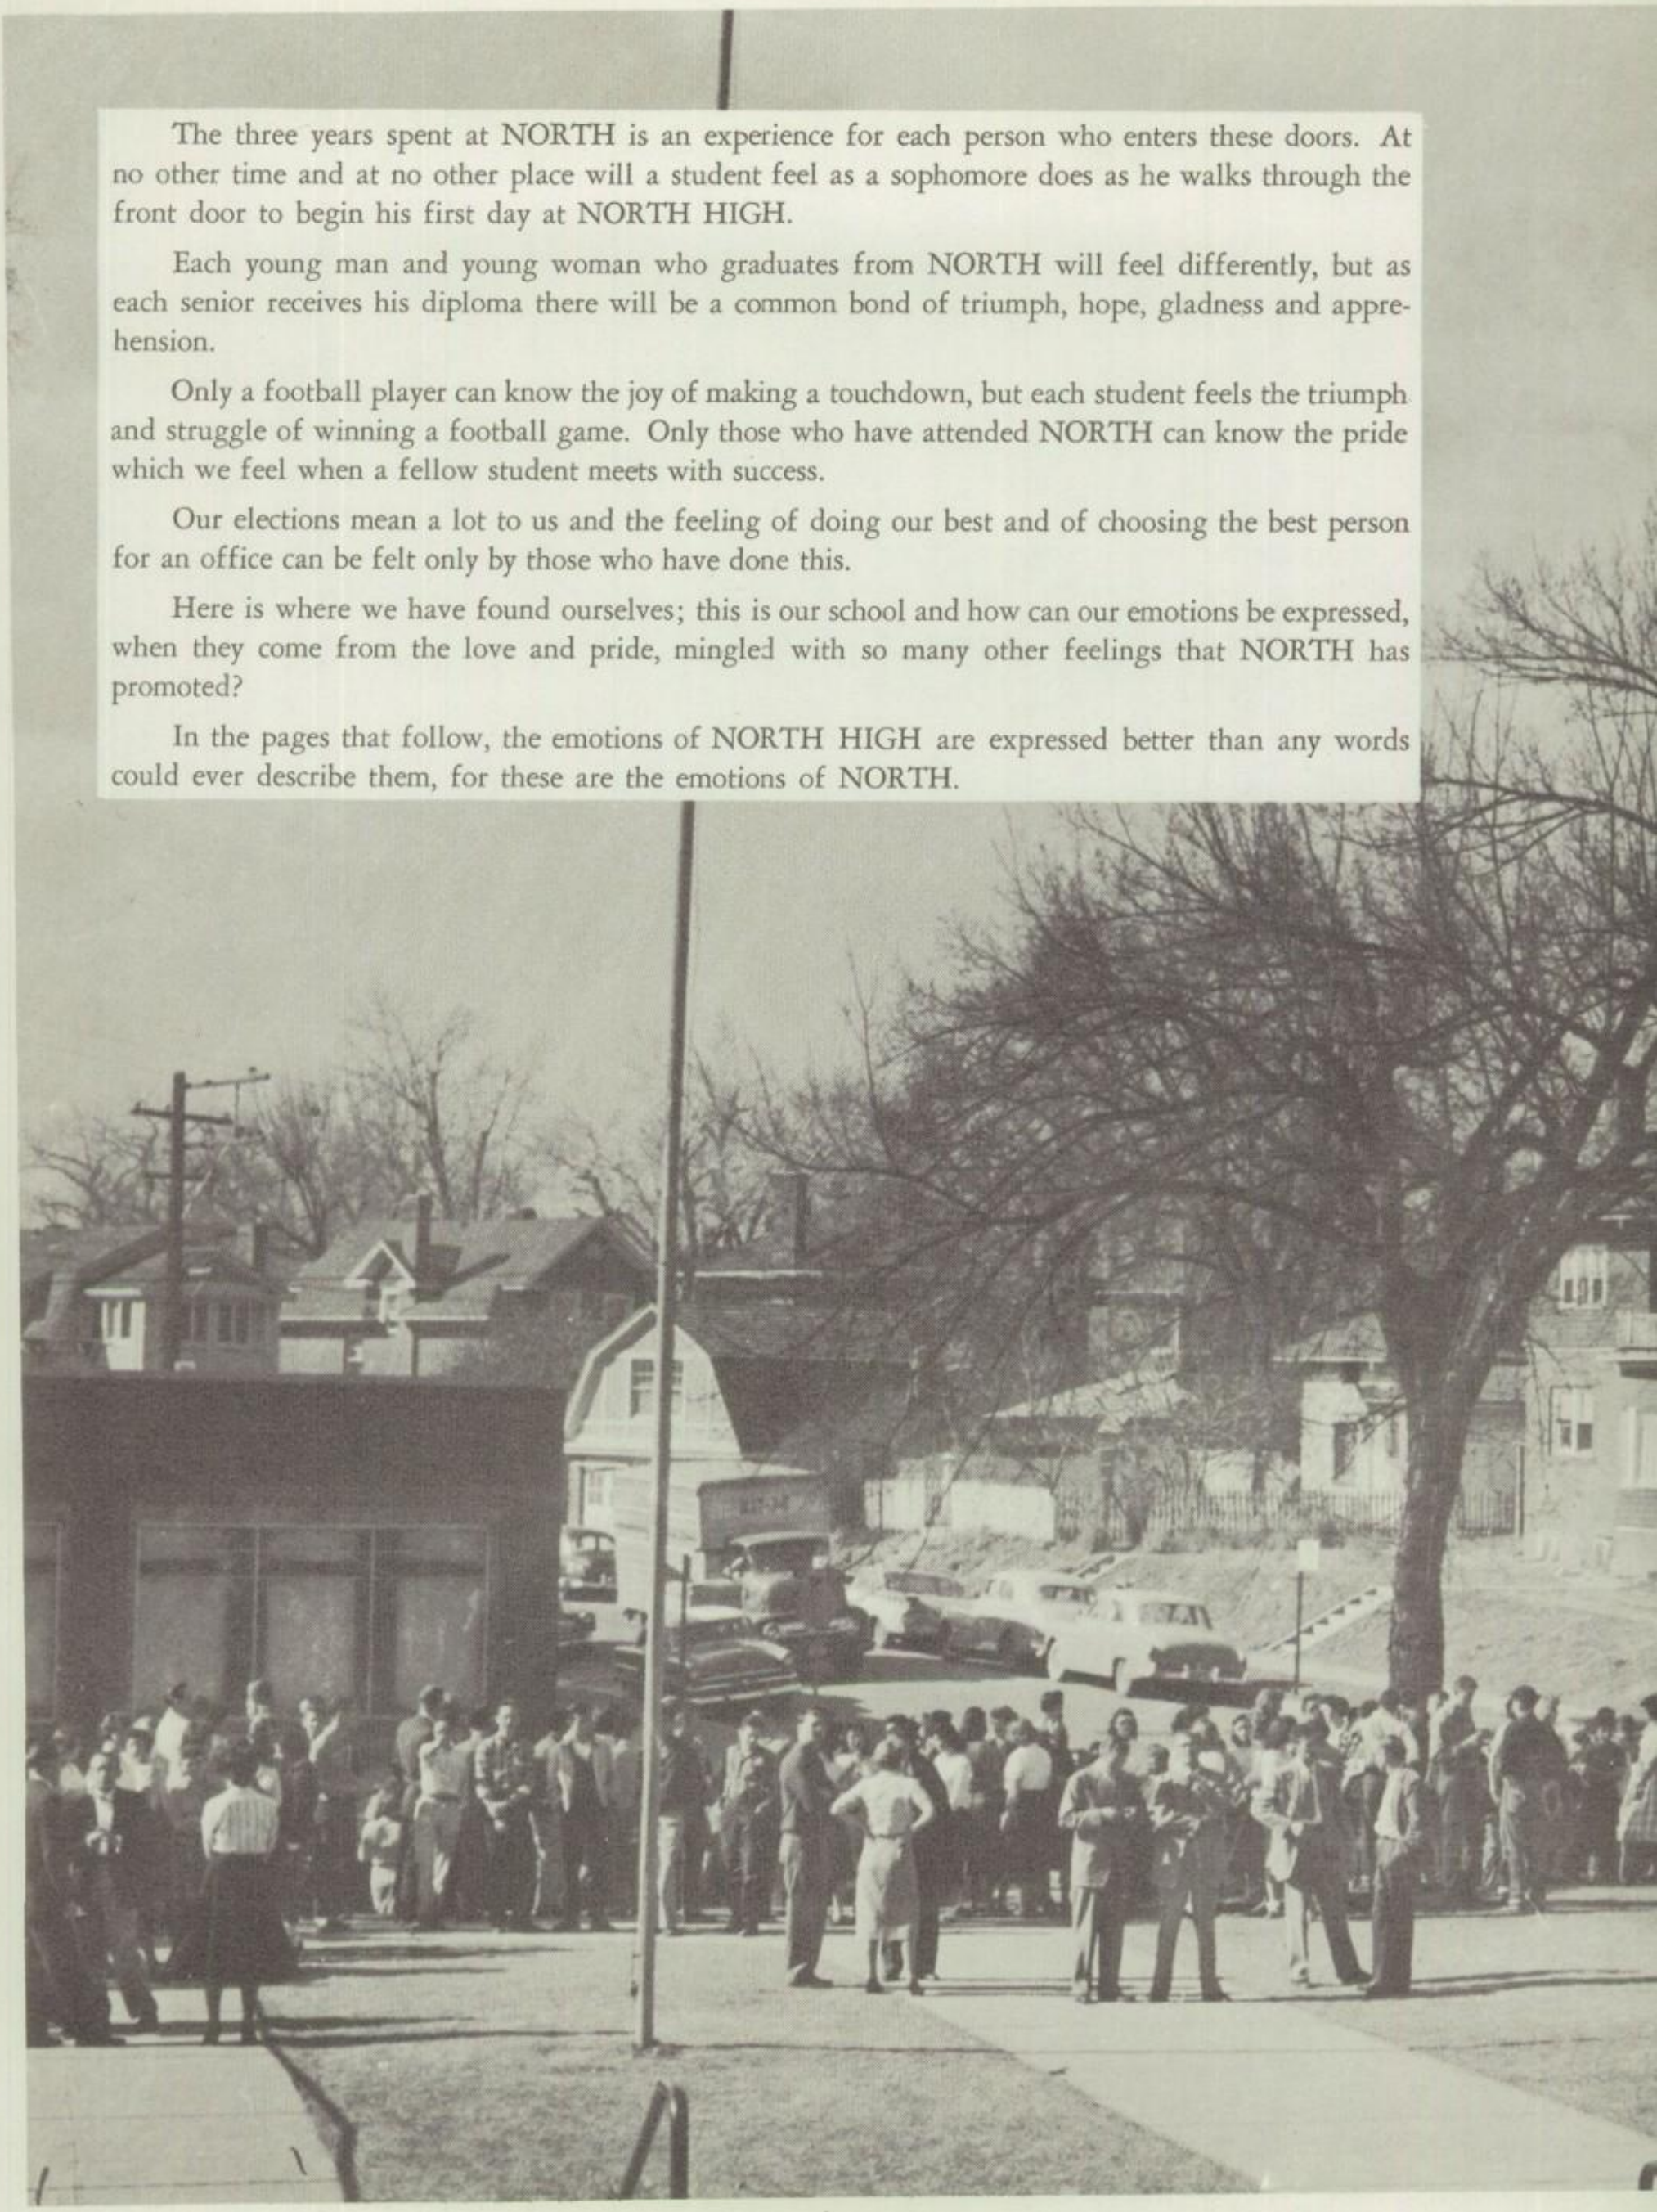
Each young man and young woman who graduates from NORTH will feel differently, but as each senior receives his diploma there will be a common bond of triumph, hope, gladness and apprehension.

Only a football player can know the joy of making a touchdown, but each student feels the triumph and struggle of winning a football game. Only those who have attended NORTH can know the pride which we feel when a fellow student meets with success.

Our elections mean a lot to us and the feeling of doing our best and of choosing the best person for an office can be felt only by those who have done this.

Here is where we have found ourselves; this is our school and how can our emotions be expressed, when they come from the love and pride, mingled with so many other feelings that NORTH has promoted?

In the pages that follow, the emotions of NORTH HIGH are expressed better than any words could ever describe them, for these are the emotions of NORTH.



North, as it now stands, has been essentially unchanged for nearly fifty years. This year the new addition has been started. A year from now the school will be completely changed, never again to be the same.

To North High as we know it today, and to the North which has been the home of countless thousands before us, we dedicate the 1959 VIKING.

Surrounded by Cowboys

The 1958-59 basketball season did not live up to pre-season expectations. The Vikings won five out of seven pre-season games, and ended up with a 3-5 league record. Frank Zupancic, North's fine center, received All-City recognition on both daily newspapers. Forward, George Ostrom, received second team recognition.

Wrestling

The 1959 VIKING WRESTLING TEAM, under the expert coaching of Mr. Klune, was one of the finest. For the second straight year the NORTH MATMEN retained the city crown. Our ALL-CITY WRESTLERS were Bob Olson, Larry Drinnon, Bob Gonzales, Ken Hecht, and Dean Lahr. North sent six wrestlers into the state tournament. In the state tournament Ken Hecht fought his way to the quarter finals and hard working Dean Lahr finished second. Little Ray Martin earned his letter by wrestling into the finals of the city championships. There will be five lettermen returning to us next year.

Gymnastics

One of the most fascinating sports is gymnastics which consists of intricate positions on the mats or other appratus including the high bar, horse, rings, and trampoline. Mr. Klune, head of NORTH'S gymnastic team, has been faced with the continual job of strengthening and building the team. This sport is by no means an easy one. The boys participating spend a class period every day out of the school year in preparation for various meets. A number of boys have been turning in terrific performances. May the team of future years continue to hold the high spirit that their fellow teammates have shown.

The purpose of the sophomore sports is to bridge the wide gap between junior high competition and the varsity competition.

The sophomore football team was the third team in the history of the Denver Public Schools to be undefeated, untied, and unscored upon in league play. The basketball and baseball teams also gave fine performances.

Girls' Sports

The four major girls' sports are speedball, volleyball, basketball, and softball. An added activity is badminton. These are played after school and sponsored by the girls physical education department. Miss Lehman has charge of speedball in the fall. During the early winter, Mrs. Weiser has charge of volleyball. Basketball and softball is supervised by Miss Wright in the late winter and spring. Five hundred points can be compiled by a girl participating in a number of games in each sport.

Coaches

Our coaches worked many hours to obtain North's degree of leadership in the sports field. Through these men many young athletes are shaped into stars of tomorrow. With the coaches insistence upon high character, our athletes have become outstanding in the field of sports at North.
